## **Entity Self Certification**

#### Please read these instructions before completing all relevant parts of the form.

UK Tax Regulations require us to collect certain information about the tax residency and tax classification of each relevant investor (referred to in those regulations and hereafter as an "account holder").

If you have any questions about the account holder's tax residency or classification, please contact a tax adviser or the appropriate tax authority. You can also find out more information on the HM Revenue & Customs and OECD websites (see the Glossary of Terms for the web address).

Should any information provided by you on this form change you must advise us of the change(s) as soon as practicable and in any event within 30 days of the relevant change. We will treat the information on this form as valid and correct unless we are informed by you of a change in circumstances relating to the account holder's tax status or other fields included on this form.

If it appears to us from the information provided on this form that the account holder is tax resident outside the United Kingdom, we may be obliged to pass on the information in this form and other information in respect of the account holder's financial accounts to HM Revenue & Customs.

You can find definitions of who is classified as an account holder, and selected other terms (italicised in this form), in the Glossary of Terms.

A UK branch of an entity is treated as an Entity in its own right for the purposes of the Tax Regulations and, therefore, this form should be completed with details of the UK branch, and not that of its parent.

Individual account holders or sole traders should complete an Individual Self Certification form rather than this form.

#### 4. Controlling Persons

The term "Controlling Persons" means the natural persons who exercise control over an Entity. In the case of a trust, such term means the settlor, the trustees, the protector (if any), the beneficiaries or class of beneficiaries, and any other natural person exercising ultimate effective control over the trust, and in the case of a legal arrangement other than

a trust, such term means persons in equivalent or similar positions. The term "Controlling Persons" must be interpreted in a manner consistent with the Financial Action Task Force Recommendations.

#### Contro

"Control" over an Entity is generally exercised by the natural person(s) who ultimately has a controlling ownership interest in the Entity. A "control ownership interest" depends on the ownership structure of the legal person and is usually identified on the basis of a threshold applying a risk-based approach (e.g. any person(s) owning more than a certain percentage of the legal person, such as 25 per cent). Where no natural person(s) exercises control through ownership interests, the Controlling Person(s) of the Entity will be the natural person(s) who exercises control of the Entity through other means. Where no natural person(s) is identified as exercising control of the Entity, the Controlling Person(s) of the Entity will be the natural person(s) who holds the position of senior managing official.
